I loved working at David Jacobs Publishing.

They have great magazines and the training,

starting salary and people I worked with were

friendly. It was a close knit group. I loved

it. I had to move to Miami for family reasons

and was even offered the opportunity to work

long distance.

Get More from the Bible The Bible is a beloved text owned by nearly all Americans. It's probably on your reading list, but it can be a daunting work to master. The Handy Bible Answer Book illuminates the secrets and reveals the wisdom of the Bible. Through easy-to-understand explanations to common questions, this book examines, story-by-story, the origins and history of the meanings of chapters, verses, and parables. Offering enlightening explanations and defining key terms, people, places, and events, this user-friendly guide is for anyone interested in learning more about the Bible. It brings context to readers by answering more than 1,700 commonly asked questions about the Good Book, including:

- How has archeology contributed to understanding the Bible?
- What are some of the most notable Bible translations through the ages?
- What was the Day of Atonement?
- How did Gideon obey God's call?
- According to Peter, what was the benefit of faith?
- What is the Apocrypha?

This comprehensive resource provides concise, straightforward information, drawing from five different translations of the Bible and other sources, it's designed to let even casual readers dig deeply into the Bible. It helps bring the Good Book's parables, stories, history, and power to your life.

The last two decades have seen electrospinning of nanofibers performed mainly from solutions of toxic organic solvents. The increase in demand for scaling up electrospinning in recent years therefore requires an environmentally friendly process free of organic solvents. This book addresses techniques for clean and safe electrospinning in the fabrication of green nanofibers and their potential applications.

Religion Reexamined is a concise introduction to world religions. It is designed to facilitate a comparative study of religions. It is divided into eight chapters that thoroughly examine the foundations of Judaism, Christianity, Islam, Hinduism, Buddhism, Confucianism, Taoism, and Secularism. Following Clifford Geertz, it treats each religion as a cultural system composed of three parts: ethos (character), ethics (way of life), and ethnos (social entity). Using Stephen Prothero's approach, it identifies each religions' problem, solutions to the problem, techniques for
