Reading Sage: Interactive Math Journal Ideas

A journal should be written at the end of a math exercise. Journal entries should be in a separate book, one used specifically for mathematical thinking. Math journals should contain specific details about the areas of difficulties and areas of success. The math journal entries should take no more than 5-7 minutes.

Math Journaling in the Classroom and Out

Math Journals and Interactive Notebooks: Part 1 Rounding and Place Value. Rounding is usually the first concept to tackle on my Math pacing plan even though it can be extremely tricky for students. Even though rounding is a difficult and awkward PROCESS, students need to see the importance of rounding numbers and see that often in real life, we do not need the exact numerical answer.

Reproducibles are included to create notebook pages on a variety of topics, making this series a fun, one-of-a-kind learning experience.

Ma has made a dozen delicious cookies. It should be plenty for her two children. But then the doorbell rings -- and rings and rings. Each ring of the doorbell brings more friends to share the delicious cookies Ma has made. "Refreshing, enjoyable and unpredictable." -- School Library Journal. Also available in a Spanish-language edition, *Llaman a la puerta*.
