Essay Writing Jane Eyre is a wonderful novel by British writer Charlotte Brontë, originally published under the alias Currer Bell on 16 October in the mid-19th-century. In 1848, the first American edition was published by reputable publishers in New York.

Called "a feminist classic" by Judith Shulevitz in the New York Times Book Review, this pathbreaking book of literary criticism is now reissued with a new introduction by Lisa Appignanesi that speaks to how *The Madwoman in the Attic* set the groundwork for subsequent generations of scholars writing about women writers, and why the book still feels fresh some four decades later. "Gilbert and Gubar have written a pivotal book, one of those after which we will never think the same again."--Carolyn G. Heilbrun, Washington Post Book World

The LitJoy Classics edition of Jane Eyre features a fully illustrated cover and interior end pages, five full-page illustrations, gold-color ribbon, custom slip cover, gilded gold page edges,

An introduction to English usage provides a look at, and explanations of, a range of grammatical problems, including style, diction, pronunciation, word formation, names and labels, and science terms

Studienarbeit aus dem Jahr 2005 im Fachbereich Anglistik - Literatur, Note: 1,5, Eberhard-Karls-Universität Tübingen, Veranstaltung: Gender: Reading and Writing between Romanticism and the 20th Century, 10 Quellen im Literaturverzeichnis, Sprache: Deutsch, Abstract: A reader of nineteenth century literature by women is bound to encounter a striking coherence of theme and imagery throughout all genres. One of the recurring themes is that of madness and confinement. The often cited "Mad Woman in the Attic," who is locked away by male authority, appears as a central figure both in Charlotte Perkins Gilman's short story "The Yellow Wall-Paper," written in 1890, and Charlotte Brontë's famous novel Jane Eyre, which was published in 1847. This essay will seek to explore similarities between the two works in respect to their description of madness as an escape from repressive social structures. The mad woman will be discussed as representing a rebellious double to the submissive heroine, who appears to be fragmented and confined by Victorian conventions of propriety. Emphasis will be laid as well on the medical treatment of mental illnesses that both texts deal with. It will be shown that gender-biased medical judgments made by men in both works actually have their origin in subconscious male anxieties.

A collection of reflections and juvenilia that recorded her unhappiness as a teacher and her return to the world of her childhood writing.

Brontë's novel about a shy, quiet governess who becomes a tutor in a great house and falls in love with its lonely and mysterious master is one of the great classics of English literature. Unique in its attention to the thoughts and feelings of a female protagonist, Jane Eyre was ahead of its time as a proto-feminist text. When it was published in 1847, however, Brontë was attacked by critics for what they felt was anti-Christian sentiment in her unflinching critique of the oppressions of Victorian society.

Retells in graphic novel format an adaptation of Brontë's story about an orphaned young English woman who accepts employment as a governess at Thornfield Hall, a country estate owned by the mysterious and remote Mr. Rochester.

A comprehensive study guide offering in-depth explanation, essay, and test prep for Charlotte Brontë's Jane Eyre, a story of a young woman who challenged social norms. As a classic novel written in the Victorian era, Jane Eyre is thought to be one of the reasons women equality has progressed to the extent that it has. Moreover, the novel discusses still-relevant social issues such as women's employment, genteel poverty, marriage, and education. This Bright Notes Study Guide explores the context and history of Brontë's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

One of the finest novels ever written, Jane Eyre is also one of the most misunderstood masterpieces of world literature. Whereas most modern teaching of the text misreads or misinterprets Charlotte Brontë's devout and profoundly ingrained Christian faith and intentions, this critical edition emphasizes the semi-autobiographical dimension of the novel, exposing feminist critiques of the work as being woefully awry and illustrating Brontë's belief in the hard-earned, hard-learned blessings of sanctity and reverence.
